

April 2019

Around the House

Inside the House

Spring has Sprung! Our year is going by so quickly. It is wonderful to watch the students working, they have grown so much this year.

We hope you can join us on **April 27th**! (please note our date change) Come to help clean up the outside of school from 9-12:00 with other CHM families. Bring rakes, garden gloves, leaf & lawn bags too. If you haven't had time to volunteer in school yet, please let us know and we can send home a small project for your helping hands to complete for the teachers. Our classes are almost full, stop by the office with your registration form soon! Thank you ☺

Sincerely, Gayle Simons, Director

Thank you.....

- ... all volunteers!!
- ...Batchelder Music
- ...PTO for all you do
- ...to the School Board members

Montessori

Tidbit

.....
"We especially need imagination in science. It is not all mathematics, nor all logic, but it is somewhat beauty and poetry."

-Maria Montessori

Saturday, April 6th
Open House
1:00-3:00

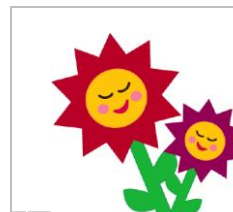

Invite your neighbors & friends
To visit us!

Join CHM for 6 weeks of Summer Camp fun!

News from PTO

Join CHM families at our Spring Fling on Thursday, April 25th at 5:30. There will be fun activities for all kids!

Please bring any rummage sale items to the office for our sale on May 11th.

From the Primary Classrooms

We are excited to watch the caterpillars! All the children will be studying their life cycle by watching them grow; spin their chrysalis and metamorphosis into a butterfly. We are finishing up our study of the seven continents this month. The children have planted marigold seeds for Earth Day too.

In conjunction with studying animal habitats, each Kindergartner has chosen a North American animal to research and to share their findings with their peers by writing a non-fiction book. The Kindergartners will read their books to the primary and elementary children in May. The children will continue to enhance their reading skills by learning about digraphs: wh, sh, th and ch. Also, math lessons will consist of writing subtraction sentences, working with place value to 1,000 and working with greater than, less than, and equal to. Thank you for ensuring that your child is dressed for our ever changing weather. It is our hope to enjoy outside recess each day.

Sincerely, Mrs. Verchio, Mrs. Butler,
Ms. Parastou & Mrs. Gibson

From the Elementary Classroom

Yea! The Cultural Expo at the SDSM&T was a new experience for us. We liked learning about different cultures. Our next field trip is to Wind Cave, we hope to hike and explore! In Music we are playing the recorder, it's pretty cool! The 3rd, 4th and 5th graders are completing the Smarter Balanced testing. We are watching our caterpillars grow and change. We will release them in May at our Art Show. We have Young Rembrandts every Wednesday for art lessons. They are awesome! We look forward to sharing our work with you in May. We plan for a Science Fair on April 25th. This is a time where we choose an experiment to research and present to our classmates and parents too. We hope you can join us!
Sincerely, Emma, Kimi and Nadia

Upcoming Events

- 4th- last book order due
- 6th- Open House 1:00-3:00
- 18th-22nd- No School Spring Break
- 23rd - PTO Meeting @ 5:30

- 25th-PTO Spring Fling
- 25th- Elem Science fair 8:30-9:30
- 27th- School Clean Up Day 9-12:00
- 30th - Volunteer Appreciation Day

In an effort to use the least amount of paper as possible and save the school administrative costs, we are posting all forms online. CHM is moving to make this site more interactive for the benefit of the school, families and perspective families. All necessary forms are in a pdf format enabling them to be downloaded whenever needed. You can even read all of the *Around the House* issues from this year.
