

Attention CHM Families:

Monthly Tuition Payments OR any Credit Card Tuition Payments can only be made through FACTS

The deadline to enroll in FACTS is August 24th, 2020 in order to use the service.

Have a FACTS account?

If you were enrolled in FACTS last year, log into your FACTS account and verify your contact/student information, and payment method.

New to FACTS?

If you were NOT enrolled in FACTS last school year, you will need to create an account. Simply click on "Online Payment" link at the bottom right of the home page (under Important Forms and Links) at www.chkids.net and follow the directions to create a New Account.

What happens after I create or update my account?

After you create an account or update your information, CHM will enter the amount due and payments will be divided according to the method (annual, semester or monthly payment) you have selected. You will receive an email directly from FACTS when your account is updated, as well as a monthly payment reminder (if you select that option in your FACTS account).

Payments are only allowed through May 2021 on any tuition account. If you enroll late or changes are made to your plan during the school year, the number of payments and/or amount may change. Payment date is set for the 10th of each month. FACTS will charge a \$45 one-time administration fee (per school year), if you will make monthly or semester payments.

If you have questions, you can reach Danielle Giuseffi at director@chkids.net.
