Around the House

THANK YOU!!!!

...all the wonderful families for helping out with clean-up day!

...to the garden volunteers for getting our Pumpkin Patch ready to plant and summer weeding!

...volunteers who helped us with end of the year projects

...PTO members who support CHM in so many ways!

...our amazing Board of Directors! Thank you for all you have done to make this a great year at CHM

...To Mrs. Shawda for Sign Language this year

...to our AWESOME teaching staff for all the learning!

...To Batchelder Music for a great musical experience

...to Colton & Jillian Jones for donating mulch for our garden

...to the Loverich family for repairing our watering system

Inside the House

WOW! What a wonderful year this has been at CHM! Time sure flies when you are having fun learning ☺

Please stop by the office to sign up for a time to weed our Pumpkin Patch this summer; many hands make light work they say.

I wish to thank everyone for their friendship these past 5 years. I have enjoyed working with all our parents and amazing teachers so much! Children's House will always hold a special place in my heart! I plan to remain involved next year as we transition our new Director.

Maria Montessori said that "Education is a natural process carried out by the child and is not acquired by listening to words but by experiences in the environment." I hope you all have wonderful experiences this summer with your families!

Sincerely,
Gayle Simons, Director

CHM ART SHOW And Butterfly Release

Thursday, May 2nd

News from PTO

We are cancelling the Garage Sale this spring. We will continue to take your items in the office and store them for next spring's sale.

Please remember us as you clean ☺

From the Primary Classrooms

8:15, 8:30, and 12:00 Classes

The school year has flown by! It has been a busy year but there is still so much to do! All the kids have been learning about the butterfly life cycle- egg, caterpillar, chrysalis and butterfly. The children really enjoyed watching them go through metamorphosis and eat fruit. We planted marigolds for Earth Day and sent them home for you to enjoy. The students picked up trash and sticks for Earth day too.

We will finish up the year with our Art Show, planting our pumpkin and vegetable garden, bike safety and Wheels Day. We have a field trip planned to Vicky Powers Park on May 22nd. Hope to see you at the school picnic!

During the month of May, Kindergartners will be creating props, deciding what roles to act out, and practicing for a play for graduation. Also, there will be two more Fridays for show-n-tell and reading bags. During summer break, please continue to have your child read to you so they will enter the following school year with strong reading skills.

Thank you for entrusting us with your children this year!

Sincerely, Mrs. Butler, Miss Parastou, Mrs. Verchio & Mrs. Gibson

From the Elementary Classroom

Wow! The time has gone by fast and our year is almost over. We had our Science Fair and it was so fun! All the students shared cool projects with the parents. We had an awesome time with Miss Ellie in Art class on Wednesdays. Mrs. Anders showed us how to candle an egg that was interesting. This year in Music class we learned a lot of songs on instruments which was great. We watched the caterpillars grow into butterflies, they are pretty. Soon we will release them! Our field trips have been to Wind Cave and Old Keystone School. We all planted marigolds for Earth Day. The whole school delivered May Day flowers to the neighborhood. We surprised many people! In writing class we are learning about poetry. It is terrific!

Hope you have a great day! Cante Nunpa Strong & Vox Copeland
