

August 30, 2024

Dear Upper Elementary Families,

As you know, families rotate in bringing snacks for the classroom every week. Attached please find the weekly schedule for the school year. To cover the school year, students get two or three turns. Please send the snack to school on Monday (Tuesday when Monday is a holiday.)

We currently have twelve students. As mentioned during our orientation last week, in addition to fruits and vegetables, we would like to offer (at least occasionally) something other than crackers—items like nuts, yogurt, cheese, bread, spreads, etc.

When it's your turn, please involve your child in shopping and selecting the snack if possible. Please mark your calendars, as no reminders will be sent out.

As a side note, most students get hungry towards the end of the day. To make sure that the snack would last us the entire week, please check in with your child about their need for a larger lunch or perhaps packing an afternoon snack.

Speaking of lunch, please make sure that you include a cold pack if the food needs to be kept cold. We have a small refrigerator that cannot accommodate student lunches. However, we have a microwave and students can heat up their food if needed.

Finally, as discussed during our meeting, we are limiting our drinks to water (please no juice boxes, fizzy drinks, or alike.) However, if your child would like herbal tea, feel free to send a box of their favorite teabags to share with their classmates!

We appreciate your participation and contributions!  
Upper Elementary Guides

Weekly Snack Schedule for 2024-25 School Year		
Please send the snack on Tuesday when Monday is closed.		
	Student	Week of
1	School provides	August 26
2	Aurora	September 2
